

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Mike and Keith did a great job installing our system. They were friendly and kept us informed of their progress constantly. Keep it up the good work.

Mike + Keith were Great. I was very comfortable with them. They were great to talk with, I recommend them to all I have spoken with.
