# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

wow, I hope you know how lucky you are to have two great employees like Brian and James H. They are very professional, answered all my questions, polite. I don't think they even took a break and stayed until they finished at 9:30pm. I am a supervisor at ISU Facilities custodial we have 80 custodians and student custodians what I would not give to have them work like these two gentlemen - now, again
