

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Thank You

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

I WAS IMPRESSED How Dusty & BILLY worked together as a team - (I thought there would be 4 installers not just 2) Their combined knowledge of the equipment, its function & operation was helpful to my understanding of the sophisticated equipment and their willingness to answer any & all questions to my satisfaction. I am impressed with the products and the end result when the system was turned on & tested above expectations. My wife was taking her sweat shirt off the temp came up so quickly - THANK YOU ALL
