CUSTOMER COMMENTS

(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us ^{Gary, John, Rick} about anything that particularly impressed you, or anything that you would suggest we improve: These gentlemen did a fine job - Very professional & considerate. They covered the floors & wore shoe covers to keep mess off the floors. They had a little trouble getting things to work properly but stuck with the job & called upon others to help until all was working as it should. I'm very pleased with their work & the operation of the furnace so far.
