# CUSTOMER COMMENTS

## (THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

Jerimiah & Quinton were very nice and set up everything quickly and efficiently. They wore their booties and cleaned up after themselves. There was a mis-communication between our sell's man and them about putting in a new air filter, but they agreed to contact him and fix the issue. Jerimiah went over all the settings of our new system with me very clearly.
