

CUSTOMER COMMENTS

(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Gary & Zach
Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:
*When Gary & Zach arrived in person they introduced themselves, had their boots to get off, stuff to put on floor that they could walk on and they had water heated so did their work and they were very courteous and cleaned up after them. They stayed their money time as they put in about 4 hours. My thank you card says that if any thing went wrong go back to call us so that they what time of day or night. And says "Right Now". Keep it up. Most business's just to take a lesson from you. I would recommend you to anyone.
Thank you*
