

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

June 15, 2011 Dante' came to my home and was on time. We went over what he was going to do. He explained each part and new what he was talking about, as he worked. I would class him an excellent employee. I look forward to have him work again for me.
