

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

The way they did the job. They worked very well together in a very professional way. Very curtious, always took the time to answer any questions we had. Cleaned up after themselves when they had to make a mess. They put down a cover on the rug to keep it from being dirty when going in and out of the house getting supplies from there trailer.
