Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

*Since I am a 94 yr old living alone with
day help, I was most impressed with the fact they were
here in less than 2 hrs. Their knowledge and quick assessment
of the trouble. It was a very old furnace and the
inside looked like an ants nest of wires. I wish I had
you to do it for me of them work. I like a "Team of Heroes"
I really appreciate their courtesy to me and person. I don't
think of one thing they did was not professional or
courteous. And to me their and efficiency is what I had
to find in this day and it started with the first
day I called to. Had I not pulled the electrical
off it could easily have blown my house down for I
had a main vent to freeze from lack of oxygen
Thanks again and such a day. I will be very
glad to refer to you to anyone with furnace trouble.*
