Jeff Cox, Owner
Right Now Heating and Air Conditioning

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: Well this company is very prompt and pleasant. I made an appt. for one day and they had a cancelation and they came out and I got my heating unit a week early, which is very nice so it ~~was~~ ^{was} all done before my out of town guest arrived. Marty + John answer questions very well and did not waste time they worked very hard to get my job done in a timely manner. I noticed the comfort level was better right away. I have a older brick home and was using space heater along with furnace before and now I have no need for them even when the wind was blowing and it was 15° outside. I am very glad I read there advertisement and made the call. I am going to refer Right Now H and AC to my son and anyone else who would like to be comfortable in there home. I will always be a part of the Right Now Family.
