

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

My husband and I really liked the guys that installed our system, they were very respectfull of our home. they knew the answer to any questions we had and the end product looks and works great! the customer service is amazing. Blanca was also extromly helpfull and polite, she was quick to answer questions and called me back when she said she would. I really am impressed with how the company follows up on appointments/ information, I would **HIGHTLY** reccommend Right Now heating & A/c. thanks so much!
