Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: Gerry & Robbie did a fabulous job!

They were very efficient and left our home nice and clean. We had a heat pump, water heater and power box installed and we're very impressed at the clean work they did and the difference it has made in cooling our house. I also called the previous company that we had planned to install an AC for us and they quoted me 8-10 thousand for a heat pump alone. You guys saved us 4 grand easy and we also got the water heater and power box. We are so excited. We're glad we did business with you and won't hesitate to call you again and refer you to our friends.

Also your sales agent, Damon, was very instructive and wasn't trying to oversell your products. Totally no pressure and that earned our trust right off. Thank you!
