Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

I thought Raul was fast & courteous. I appreciate Dante coming down on the install price. That really mattered to me. b/c last time I had Right Now install the furnace for \$4,000, people told me I paid too much. I would definitely recommend Right Now co. but I would tell people to get a second bid (something which I guess is obvious to most people).
