

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Great Job from beginning to end!! Rick Turpen was extremely knowledgeable of your various products. He was friendly, respectful & did not pressure us in any manner. He's a great salesman & a great person to represent your company.

Dusty & Billy, the installers, were great also. They worked well together, fast, efficient, left everything clean, friendly & knowledgeable of the products.

We will definitely call for a spring service of our heating system in 2011. IT WAS nice meeting all 3 gentlemen, you have 3 excellent employees!
