

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Thank You

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

Your ad in the yellow pages is what originally attracted me. You lived up to the expectations I had and more. You have good employees (hang on to them). I appreciated the service so much, I called when another rental had a heating problem. (By the way, you have an excellent tech in this area.) I have one more rental with an antique furnace and you can bet I'll call Right Now. I'd like to buy stock in your company.
