

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

These young men did a good job. Shawn impressed me, when he stopped working to answer all my questions. He explained how the system works & how to set the thermostat. They worked fast & steady. They cleaned up after they were done very well.

We enjoyed having them stay for Pizza after they were finished. They were very polite & courteous.
