(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

I was impressed in that these two gentlemen made sure everything was installed correctly. There seemed to be a small leak when installing water heater. They made sure it was okay. I had a great service since the beginning. Thanks to Bow too!
