

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

The crew that put in our furnace were great. I could not believe how fast they work. I was very impressed that they clean up after themselves as they are on their way out the door. Don made me feel comfortable as he explained the process and answered all my questions.

Thank to everyone ~~in~~ in, involved with the process of getting us heat!
