

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

Dear Mr. Cox,

I am responding to let you know how pleased we are with the products (Furnace + AC) and Service we received. Last night I had the best sleep in a while... no more waking up with the sweats. 😊 The crew you sent out were fast, friendly and efficient. They are also great sales men, pointing out that your company does water heaters too! Wow! We'll definitely be calling for one soon.
