(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

We are very pleased with the installation, they accomplished it in one day. The installers were very courteous and accomodating and left the house very clean. There was one little problem that we found the next day and they came right back and fixed it.

The heater runs just fine and the house is warmer. We haven't had a season to use the air conditioner yet.

We were delighted that everything was made in the U.S.A.
