Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

I was so impressed with Right Now Heating's whole operation. From the 1st call that I made, their friendliness & efficiency was exceptional. And their service is second to none. The 2 installers, Leon Tickman & Coldea McCoy, did such an amazing job installing my furnace and water heater including replacing & improving the venting system & ductwork; even crawling through my crawl space to cap an old unused line that was feeding cold air into my house. And the products are way superior; my new furnace puts out warmer heat than my previous furnace did (could be also due to that uncapped unused line Right Now found!!) Anyway, I'm completely happy & impressed with Right Now Heating & I tell ever
