

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

Gerry and Mike the installers on 3/22/11 were both professional answered any questions and concerns as if they were installing the equipment in their own home. They both were neatly dressed; cleaned up 100% of anything they used like they weren't even here. They even vacuumed the heater area out. Mike explained the visit to us; the paperwork as well. They <sup>both</sup> represent your company with "old school" attitudes which is so refreshing and welcomed.
