

# CUSTOMER COMMENTS

## (THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

*I was very impressed at the time it took a man to get here after I called. He assessed the problem and had a man out here that day to replace the old heater that was putting carbon monoxide in my house.*

*The service man worked hard and late to replace the unit.*

*I have used your company before and if needed I will use them again and also recommend your company to friends.*
