

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

I was very pleased with the professionalism of the people that installed the air conditioner and insulation. They also made sure that they cleaned up after they were finished. They also pointed out some defects in my roof that could cause problems. I would recommend Right Now to anyone
