

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

The fellows who come to our home to fix our heater were nice, friendly and most informative. They went out of their way to help us decide what to do - as we had never been instructed on heater, here in ID. We ended up buying a heater from your Co. The men who installed were also very polite + professional.

Thanks to John Ross + John!
