(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Right Now Heating and Air Conditioning

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

Installed an attic fan & a vent in the man cave so we could have some air & heat in that room that was converted from a single car garage. Both jobs were done in a very professional way. I am very impressed with all of your employees. We have had several jobs done & the attention to detail is second to none. They call before they are going to be there & if you can't be there they always make it work for you. Have recommended Right Now to several of our friends. Thank you very much!
