

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

I was impressed with how doing a ^{professional} professional job was very important to both Mike and Yuriy. Done Down to the putting on and taking off the booties each time they entered the house, they took the time to answer my questions even when I was getting in the way.
