

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Thank You

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

If you want a definition of the service I received from your firm - One word covers the transaction: "Great!!" When I called I got an immediate response - It then when ^{the} furnace we ordered could not arrive for an extra day, Michael K. rushed to bring a couple heaters for us to use - "us" meaning I and my little companion (Chihuahua) Holly. Since I am not in very good shape the men wouldn't permit me to move anything. The new furnace is working beautifully! and the men installing it were very thoughtful. Thanks much!
