

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

*First off I could hardly believe you sales flier. From sales to your finance was great. Your install crew was fast and professional start to finish. On a scale from 1 to 10 I would say +10 I would recommend you to family or friend in the Boise area. Keep up the great work. A very happy customer
