

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Thank You

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

*We were impressed with the way Weston presented all the information for the furnace + air conditioner. He was able to answer all questions + was very thorough with the location of furnace, vents + air conditioner. We had made up our mind not to buy until we learned more about your company until we were told Michael Keeton worked for you. That made the difference for us, as we had heard several months ago what a fine company you are. We are pleased with the service you have provided + you have done every thing you said you would do.*
