

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback: as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

*the professional appearance and actions of all the men working on the job impressed me. there was no profanity and kind attitudes from everyone of them at all times. It was about 130° in the attic and they did their job with no complaints and no bad attitudes.*

*Thank you so much!*
