

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

The guys were very professional, and courteous. I thought that Gerry went above and beyond removing and then replacing the dry wall that was surrounding our new furnace. It looked better than what he took down! Mike and James were very hard workers, always considerate of what we wanted. We will definitely recommend your company to our friends and families.
