

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Thank You

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

The employees from Right Now heating and air conditioning were very professional and courteous at there job, they showed up at my home on time when they said they would be there, they explained very clearly what what they were going to replace and how they were going to complete the project. I will recommend your company to my family, friends, and coworkers because of your outstanding customer service.
