

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

We are very pleased with the work Gerry and his son did. Very professional people, they worked very hard all day until 7:20 PM finishing all the work in the same day. I would recommend your company and your people to my friends and family. I also liked Rick the salesman he did a great job explaining everything. Again Gerry and J. did a great job. Thank you.
