# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

From day one with Larry who was prompt and gave us a quote on the spot to being very patient with us as a church having to go through many committees to get a job done we are very pleased with the start to finish with this job. The guys listed below did an amazing job and when they were done our building was spot less. A big thank you to Larry for putting up with my many phone calls and for going above and beyond with his customer service.
