

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Thank You

Owner Right Now Inc.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

We have been using the new system you all installed for a couple months now and have been pleased with it and with your crew that installed the system - We are saving money each month on our heating bill and are looking forward to the summer to save also.

MANY THANKS,
