# CUSTOMER COMMENTS

## (THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Right Now Heating and Air Conditioning

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: The guys that were here did an outstanding job. This wasn't an easy project and they put in 2 long days. I would easily give them 5 out of 5 stars. The only thing that I wish was better is the air flow/output at the far end of the house.
