CUSTOMER COMMENTS

(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

I can not think of anything at all that you could improve on, except having someone along to do all the paper work for the man doing the work. I'm sitting here at my table & I've counted 9 sheets of paper for this job. That is not counting the time we had to spend on the phone to get the OK to do the job. That makes the time spent on the job even longer & your manager had already been here the day before & O.K. the job. Jamie did an outstanding job & I gave a your card to my son & my neighbor. Maybe it will bring to some work.
