

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Right Now lived up to its name - Service was very fast - ... same day, even. Everyone was very knowledgeable and helped answer all my questions. I appreciated the fast service and the "Clean" way all was left, too. (Clean meaning Efficient AND tidy)
