Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

I was so impressed with the way every meeting with "Right Now" was handled from the 1st to the last with "Expertise". They listened to what I needed. Discussed how they could fill that need, saving me money and time. They even went the extra mile. The most pleasant experience I've had in years. And they did it in one day (Awesome)
