Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

I loved the fact that Mike came out the day that I called. Also, I needed a new furnace and it was installed the same day. That was awesome! I was only out one day of work and I have a new safe efficient furnace. We can already tell a big difference as far as the air in the house. The installer guys were here until 9pm to finish the job. They were so pleasant not one complaint. No extra charges either!! The only thing that was missing was the furnace brand label, but that is minor.
