(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: Jeremy and Shane showed up promptly at 10:00. I appreciated them being here when they said they would be (we were told between 10 and 11). They both were very professional yet friendly. I really appreciated their concern for the safety of my children and pets. They showed this by shutting the door to the room where the crawlspace is located. I also appreciated them covering their shoes. I like how thoroughly they explained our new thermostat. I would love to have them back as repairmen. Thank you for the professionalism everyone we have worked with has shown.
