Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

I was very impressed with the neatness, manners and steady work without a lot of breaks & talking. To each other of things that didn't include work. They both were very polite - answered all my questions so I could understand things. That took a lot of patience" haha. They also wore shoe covers which really impressed me - how thoughtful! I've never had workmen in my home that showed such courtesy & graciousness to their customer as these two men I Jamie & Jose!

I'm also so very grateful that I can make low monthly payments on the new furnace - or I would have had to resort to electric heaters this coming winter as I was really expecting the old furnace to quit! Thank you - thank you for helping a Benevo Citizen,
