It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. *I was impressed with how quickly your staff responded to my call for help. Also, with the willingness to meet my requirements for replacement of a water heater, heat pump and ~~water furnace~~ furnace. It was very cold that afternoon and your two men stayed until the job was completed; from approximately 4:00 PM until almost midnight. I am very happy with the equipment and how it performs. Your administration people were great, too.
Thank you*
