

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Thank You

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

*We'd like to express our sincere thanks to Jerry and Billy for a "job well done!" It's so nice having a warm home.*

*When the city inspector came to check things out, he told my husband he had never seen such a perfect installation. I thought you would be pleased to hear that.*
