Richard ~~was~~ is a great Analyzer & very organized. WE (WIFE & MYSELF) liked him very much, gave all the answers & took all the questions. Nice touch Richard stopped by the day of installation. James is the best, HE & his team were quick & clean & 5 STAR. @ the end there were to paint the exhaust pipes black No problem he got right after it.

Did a great job explaining the new unit & thermostat. The first night the house was so much warmer we even drop the setting down a degree & adjust the start times. & it was Fun & Easy. Thank you for the great product & GREAT TEAM
