

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

Sharon & I both commented to each other about how all the employees made every effort to keep our home clean during all parts of inspection, insulation, etc. Workmanship was perfect! They did everything I was told would happen, down to the last detail. Mike & Gerry were pleasant and good workers. They did not waste time. I appreciated the support they received when they found something they needed to charge or adjust.
