(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

I could not be more pleased with the "outstanding" way that your crew went about their job, it was highly professional, and I am really pleased with the results so far. The cooling is super after so many years with a Swamp Cooler. This is what I would expect in the afterlife. Both my wife and I are very pleased with your company so far, and I am (almost) looking forward to winter so I can enjoy even heat, and at a reduced rate to boot, it don't get much better than that. Bottom line is thank you.
