

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

Your Sales presentation was very good. Don had tons of options. Best I've had concerning home heating. I have a warm house! (finally)
Your install fellows were very good. They explained things in detail and did a great job. I was impressed.
We have had many heating contractors over the years - my house has been cold since it was built. No one was able to offer any help until now.
