

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

*I am pleased with the service that I had in having my furnace replaced. The response I received was prompt and there was a situation that involved the thermostat that caused a problem. It was fixed and now it seems to be functioning.*
